Modern, fast and very seaworthy Bluewater-cruiser built by the quality yard Najadvarvet on the island of Orust at the Swedish westcoast. The NAJAD 440cc offers everything you need for long distance sailing: Excellent performance thanks to judel/vrolijk & co.-design, a safe and well protected centercockpit with fixed windscreen, a solid, rigid structure and a lot of living space and comfort below decks. The NAJAD 440 marked the start of the cooperation between Najadvarvet and the British designer Rhoades/Young, who created a modern, bright and timeless interior in mahogany with vinyl-covered panels. This NAJAD 440cc is offered by her first owner, has been in indoor storage every winter, has been maintained by a professional yard and is in very good condition. Fully equipped incl. electric winches, bowthruster, diesel generator, high quality sail wardrobe and complete RAYMARINE navigation.
